

### **Important Announcement from the NPSC Committee**

It is with regret that we have to inform all members of the club that Les Woods our Head Coach has resigned with immediate effect.

We have put in place short-term arrangements for the next few weeks while we pursue a permanent solution to coaching arrangements.

Sessions at Bedford during Christmas period will go ahead as planned and normal sessions at Middleton will resume on 2nd January.

Please note the session at Bedford on Sunday 20th December is now from 1.00 to 2.00 PM due to the pool having to close earlier than planned.
